Emerald TC Achieves Sage Software Million Dollar Club Status for 2008 and Sage Software President's Circle for 2008

Emerald TC Achieves Club Status for 2nd Year and Makes the President's Circle for the 3rd Time

Atlanta, GA – November 10, 2008 – *Emerald TC*, a Sage Software business partner specializing in the sales, installation and support of Sage MAS 90, Sage MAS 200, Sage MAS 500, Sage Abra HRMS, and Sage FAS, has been named to Sage Software's Million Dollar Club for the past fiscal year (October 1, 2007 to September 30, 2008). Emerald TC received this honor for achieving over \$1,000,000 in sales for Sage Software's MAS 500 product line, adding to the company's impressive showing this year as a Sage Software President's Circle Winner.

Million Dollar Club honors are given to top ranking business partners who have exceeded one million dollars in business across Sage Software's product lines and solutions groups—including Business Management Division (BMD) (Strategic and Value Accounting, Sage FAS, and Sage CRM Solutions), and Industry & Specialized Solutions Division (ISSD) (Construction and Real Estate, Employer Solutions, and Non-Profit Solutions).

"Sage Software business partners continue to succeed with superior service and support, and a relentless focus on the customer," said Nina Smith, Sage Software president, Business Management Division. "Our Million Dollar Club achievers know what it takes to win, delivering the solutions and customer service that help both them and their clients succeed. We congratulate Emerald TC this year for their impressive achievement and wish them continued success in 2009."

"On behalf of the three Emerald TC Partners, we are simply thrilled to receive this honor once again," stated Cherry Williamson, Partner with Emerald TC. "More importantly however is what this truly represents, which is a profound and positive impact on the many clients we have helped by transforming their processes to increase productivity, growth and profitability."

President's Circle winners will be honored at an official awards ceremony to be held at the lush resort destination of the Grand Hyatt Kauai Resort and Spa in Kauai, HI, January 29 - February 2, 2009.

About Emerald TC

Emerald TC specializes in helping mid-market, multi-location companies transform their processes and thereby increase productivity, growth and profitability. Our focus is within the process manufacturing, distribution, and healthcare/financial sectors. Emerald TC helps your company choose and implement a technology solution that will allow you to easily and seamlessly share information across the office, the enterprise - or the globe.
